

The Unfinished Task Network Core Values and Beliefs

We value the local indigenous church and the importance it plays in transforming the local community.

We value the process of Asset-Based Development which focuses on what people have rather than what they do not have.

We value life-long learning of God called men and women committed to training others in planting indigenous churches that become bases for community transformation.

We believe the Bible to be the inspired, the only infallible, authoritative Word of God.

We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father where He intercedes for us, in His present rule as Head of the Church, and in His personal return in power and glory.

We believe that all men and women are lost and face the judgment of God, that Jesus Christ is the only way of salvation, and that repentance of sin and faith in Jesus Christ is necessary for regeneration by the Holy Spirit.

We believe in the present ministry of the Holy Spirit, whose indwelling enables the Christian to live a godly life.

We believe in the resurrection of both the saved and the lost; the saved unto the resurrection of eternal life in the presence of our Lord, and the lost unto the resurrection of damnation and eternal punishment.

We believe in the spiritual unity of believers in our Lord Jesus Christ and that all true believers are members of His body, the Church.

We believe that we must dedicate ourselves to prayer, to the service of our Lord, to His authority over our lives, and to the ministry of evangelism.
